Strategic Plan Summary 2025-2030

Overview

The following Strategic Pillars will guide and drive our work over the period 2025–2030.

Our plan focuses on empowering individuals by supporting each person to develop their skills, strengthen their well-being, and access meaningful opportunities for work, learning, and personal growth. It also strengthens and empowers communities through community employment, social enterprises, and sustainability.

Strategic Pillars

Community Employment

Creating meaningful training and work experience opportunities that enhance local capacity, inclusion, and resilience.

Social Enterprises

Supporting communities by operating community based businesses that create a positive impact through the triple bottom line of profit, people and planet.

Environmental Responsibility

Leading green initiatives and sustainable practices.

Digital & Tech Readiness

Bridging the digital divide through training and infrastructure.

Marketing & Promotion

Enhancing NCE's visibility through strategic branding and communication.

Sustainable Funding & Growth

Ensuring long-term viability via diversified income and scalable models.

Our Purpose

To empower individuals and strengthen communities. We provide accessible training, education, and work experience opportunities to help people gain skills, improve wellbeing, and progress toward meaningful employment. At the same time, we promote social inclusion, ensuring everyone in the community can participate, learn, and thrive.

Our Vision

We believe that all people have the right to integrate with others in our community, re-educate, train, work and gain the relevant experience to progress to future full-time employment.

Our Mission

To promote social inclusion and provide accessible training opportunities to serve the needs of the local community.

Support & Funding

The following is a non-exhaustive list of the funders and supporters that partner with NCE, enabling us to deliver a broad range of activities each year. These include financial and non-financial supports as well as specific project sponsorship. We are most grateful to these organisations and institutions and thank them for their support
